

Kyäni Nitro[®]

Not only do we struggle with eating a healthy diet, but we also may not be getting the full nutritional value of our food. Kyäni Nitro FX[®] and Nitro Xtreme[™] help the body produce Nitric Oxide, which helps promote healthy circulation and supports your body's ability to absorb the nutrients in the Triangle of Health.

KEY BENEFITS

- Promotes Energy
- Encourages Blood Flow
- Promotes Circulation
- Enables Healthy Inflammation Response
- Encourages Heart Health
- Supports Healthy Sexual Function
- Supports Cognitive Function
- Sustains the Immune System
- Supports Nutrient Absorption

HOW TO USE

Use 1 mL (25 drops) up to three times daily as part of your Healthy Living lifestyle.

KEY INGREDIENTS

Both Nitro FX and Nitro Xtreme contain Kyäni's proprietary blend of Noni concentrate for increased Nitric Oxide production. Kyäni Nitro Xtreme contains even more Noni concentrate, plus additional components to give your body an extra boost.
